Gaspare Spanio Safaris Lodge

The Lodge lies at the foot of South Africa's Kudu'srand Mountains. This district lies in the heart of Limpopo Province, one of the most exceptional hunting regions in Africa. The lodge, as mentioned earlier, is privately owned. Therefore your stay at lodge will be truly exclusive.

The lodge consist of 3 thatched huts (on for 4 persons and two for 2 persons) and 2 en-suite bedrooms (for 2 persons) - all with en-suite bathrooms. This provides accommodation for five couples or family- and hunting groups at any given time. In additions hunter's partners are allowed to accompany them on their hunting excursions.

The main lodge has an open veranda and dining area with views over the surrounding valleys. Here you will be spoiled with delicious meals and have plenty of space to relax in. It is also here you will find coffee, tea and snacks plus a minibar with water, soft drinks, wine and beer.

HUNTING AREA

The Hunting District in Limpopo Province

The hunting district in Limpopo Province covers a total of 20,000 hectares and after many years of selective, ethical and fair-chase hunting, they can now offer a wide range of top class trophies. The quality and diversity found in the hunting district provides perfect conditions for the animals, and helps give you the hunting adventure of a lifetime.

Gaspere Spanio Safaris offer excellent hunting for plains game at a very attractive price. Typically the hunt is carried out as "spot and stalk", where the game is spotted from the car then stalked on foot through the bush.

About us

Limpopo & Diana Hunting Tours

Limpopo & Diana Hunting Tours Limpopo Travel and Diana Hunting Tours – which today are one and the same company - are built on more than four decades of experience in the hunting travel industry. Diana Hunting tours was founded in Svendborg back in 1974 by the internationally known figure in the hunting tour industry, Jan Krossteig, who today remains shareholder and chairman of the concern.

Over the years the company has grown into the world's largest hunting travel office, with hunting partners in more than 40 countries and customers from around the world. This has only been possible because of the strength of our customers faith in our company, our partners and the service we provide. We take great pride in the fact that a significant number of our customers are "regulars" you not only travel with us frequently, but also bring with them new customers into our business.

The hunting travel market has never been as chaotic as it is at present. There have always been a mass of small and medium sized agencies trading on the market, but in recent years the rise of the internet has really opened up the market for direct booking and packages sold by "agents" of more or less transparent character and by agencies based abroad.

A large number of hunters have had their fingers burnt booking "cheap" packages, which rarely proceed as promised. Generally it is only when things go wrong that the unfortunate hunter who bought the tour first realises what the difference between a good Danish travel agency - with all the security that entails - and a questionable foreign seller, really is.

What we offer our customers is a rather unique level of security. Our experienced staff really know our destinations and can provide highly qualified advice tailored to the customer's individual requirements. If you book your hunting tour through us you also have a guarantee against the unlikely event of bankruptcy through the Danish Travel Guarantee Fund. Our long standing membership of the Danish Travel Agency Association is also a guarantee for professional service throughout all the proceedings that a hunting tour entails - also in the event of something not going quite as planned. As one of our customers you can expect around the clock support, via our emergency hotline, in the event of anything at all going wrong.
