

WALKED UP / ROUGH SHOOTING IN MELROSE

Those who have experienced a classic rough shooting in Scotland know that the hunt itself is only part of the experience. The true joy lies in the companionship, the work of the dogs, and the hunt through the beautiful rolling landscape. Combined with the hospitality, the traditional estates, and the cozy atmosphere at the lodge, a rough shooting becomes an experience you'll never forget.

ACCOMMODATION Dryburgh Hotel

The hotel, which is only an hours drive from Edinburgh airport, is beautifully located on the banks of the River Tweed in the heart of the Scottish Borders. Most of the rooms and public areas offer views over the river.

The hotel is a luxuriously furnished 4-star hotel featuring an exceptional restaurant. The menu, as you might expect, features many game dishes with seasonal, locally produced vegetables. The hotel provides a secure gun room, for safe storage of the guests weapons and ammunition, and also has a drying room where you can dry soaked hunting clothes.

In 2010 the hotel was awarded the prestigious "Scottish Country Sports Hotel of the Year" in recognition of the good service it provides for it's hunting guests. It goes without saying that the hotel is ideal for both couples and for larger corporate events

HUNTING AREA Melrose

The families aim, when they took over the hotel in April 2007, was to combine the perfect hunting hotel with perfect hunting in a fantastic district. A total hunting experience, where both accommodation and the hunting district has been tailored to the needs of the hunter, and the hunter can enjoy the benefits of our partner's wealth of experience and the high level of service he provides.

The family running the hotel has access to more than 40,000 hectares of professionally managed hunting, all with a 35 minute drive from the hotel. The possibilities available are overwhelming, and very varied in character. Woodcock and rough shooting is available almost right next to the hotel, while "walked up" rough shooting for game that can include ducks, together with goose shooting are all available at a number of nearby locations.

It is possible to shoot grouse over pointers and setters, as well as on world class, traditional driven shoots. It is also possible to arrange hunting for mountain hares, as well as drives for pheasants and partridges. Naturally it is also possible to arrange pigeon shoots and roebuck hunts.

The countryside in this area is absolutely beautiful, a mix of fertile farmland and Scottish hills. We can warmly recommend hunting here.

About us

Limpopo & Diana Hunting Tours

Limpopo & Diana Hunting Tours Limpopo Travel and Diana Hunting Tours – which today are one and the same company - are built on more than four decades of experience in the hunting travel industry. Diana Hunting tours was founded in Svendborg back in 1974 by the internationally known figure in the hunting tour industry, Jan Krossteig, who today remains shareholder and chairman of the concern.

Over the years the company has grown into the world's largest hunting travel office, with hunting partners in more than 40 counties and customers from around the world. This has only been possible because of the strength of our customers faith in our company, our partners and the service we provide. We take great pride in the fact that a significant number of our customers are "regulars" you not only travel with us frequently, but also bring with then new customers into our business.

The hunting travel market has never been as chaotic as it is at present. There have always been a mass of smalland medium sized agencies trading on the market, but in recent years the rise of the internet has really opened up the market for direct booking and packages sold by "agents" of more or less transparent character and by agencies based abroad.

A large number of hunters have had their fingers burnt booking "cheap" packages, which rarely proceed as promised, Generally it is only when things go wrong that the unfortunate hunter who bought the tour first realises what the difference between a good Danish travel agency - with all the security that entails -and a questionable foreign seller, really is.

What we offer our customers is a rather unique level of security. Our experienced staff really know our destinations and can provide highly qualified advice tailored to the customer's individual requirements. If you book your hunting tour through us you also have a guarantee against the unlikely event of bankruptcy through the Danish Travel Guarantee Fund. Our long standing membership of the Danish Travel Agency Association is also a guarantee for professional service throughout all the proceedings that a hunting tour entails - also in the event of something not going quite as planned. As one of our customers you can expect around the clock support, via our emergency hotline, in the event of anything at all going wrong.
