ACCOMMODATION Lake Hawea lodge

Lake Hawea provides the hunters and their families with a pleasant stay with comfortable accommodation. Each bedroom is king size and has its own heated bathroom. In 2019, construction began on separate accommodation separate from the cabin with two further en suite rooms plus a large central room which will be used as a breakfast and dining room, as well as a trophy room where there is ample opportunity to relax.

The emphasis is on comfort and their team will do their best to make your stay a memorable experience.

All hunts include a minimum of 2 nights in the main lodge at the original McCarthy farm.

On the wilderness hunts, you are accommodated in a comfortable tented camp with air mattresses and warm sleeping bags, as well as a kitchen and living area. The guides ensure that the stay out in the wilderness is as pleasant as possible.

HUNTING AREA

Otago, South Westland and South Island

Wilderness Hunting

This is the most challenging hunt offered. You're flown to the hunting area by helicopter, hunting from a basic tent camp. The hunt takes place on public land, with steep and mountainous terrain. Tahr and Chamois thrive in large numbers in New Zealand's wilderness, providing impressive trophy quality. It requires good fitness and proper equipment.

Private Land Hunting

We have access to six private hunting areas totaling over 250,000 hectares. It's less physically demanding than wilderness hunting and involves vehicle access. It offers a truly amazing New Zealand hunting experience.

About us

Limpopo & Diana Hunting Tours

Limpopo & Diana Hunting Tours Limpopo Travel and Diana Hunting Tours – which today are one and the same company - are built on more than four decades of experience in the hunting travel industry. Diana Hunting tours was founded in Svendborg back in 1974 by the internationally known figure in the hunting tour industry, Jan Krössteig, who today remains shareholder and chairman of the concern.

Over the years the company has grown into the world's largest hunting travel office, with hunting partners in more than 40 counties and customers from around the world. This has only been possible because of the strength of our customers faith in our company, our partners and the service we provide. We take great pride in the fact that a significant number of our customers are "regulars" you not only travel with us frequently, but also bring with then new customers into our business.

The hunting travel market has never been as chaotic as it is at present. There have always been a mass of smalland medium sized agencies trading on the market, but in recent years the rise of the internet has really opened up the market for direct booking and packages sold by "agents" of more or less transparent character and by agencies based abroad.

A large number of hunters have had their fingers burnt booking "cheap" packages, which rarely proceed as promised, Generally it is only when things go wrong that the unfortunate hunter who bought the tour first realises what the difference between a good Danish travel agency - with all the security that entails -and a questionable foreign seller, really is.

What we offer our customers is a rather unique level of security. Our experienced staff really know our destinations and can provide highly qualified advice tailored to the customer's individual requirements. If you book your hunting tour through us you also have a guarantee against the unlikely event of bankruptcy through the Danish Travel Guarantee Fund. Our long standing membership of the Danish Travel Agency Association is also a guarantee for professional service throughout all the proceedings that a hunting tour entails - also in the event of something not going quite as planned. As one of our customers you can expect around the clock support, via our emergency hotline, in the event of anything at all going wrong.
