

SMALL GAME HUNTING IN HUNGARY

Our own man in Hungary, Attila, has secured an agreement with a fantastic hunting ground in eastern Hungary, where the habitat ensures an outstanding population of roe deer, pheasants, and hares. In the autumn, they arrange action-packed walk-up hunts for small game. Hunters can expect a daily bag of 15-20 pieces of game per hunter.

HIGHLIGHTS & DESCRIPTION

Small game hunting in Hungary

Overview

We have established a partnership with one of our trusted, long-standing hunting grounds (known for strong roebucks) out on the Hungarian puszta near the thermal spa town of Gyula. This hunting ground also hosts many traditional small game hunts, and we have secured spots for several groups of 4-6 hunters throughout the autumn. The area boasts an incredible population of roe deer, pheasants, and hares, guaranteeing plenty of action and a daily bag of 15-20 small game per hunter.

The grounds are located about a 2.5-hour drive from Budapest airport, and we highly recommend renting a car, so you can drive from the hotel to the grounds, which can be 20-30 km away. Alternatively, our local man in Hungary can pick you up at the airport, and you can pay directly for both this service and transport to/from the grounds in the hunting guides' vehicles. However, with your own car, you'll also have the chance to visit the famous thermal baths in Gyula, buy their world-famous sausages/kolbász, and Attila can also arrange visits to local paprika producers where you can purchase fresh paprika in various strengths!

Hunting season: October 1st to January 31st.

ACCOMMODATION:

We're out in the Hungarian countryside, where there are several charming inns and guesthouses. However, to meet most of our hunters' expectations for lodging, Attila recommends a beautifully situated hotel, about a 20-minute drive from the hunting grounds. Here, hunters

HUNTING AREA Eastern Hungary

The areas of between 4,000 – 11,000 ha are located approx. 2.5 hours drive from Budapest airport, in eastern Hungary up to the border with Romania. The terrain is fairly flat and is predominantly used for agriculture. However, these agricultural areas are regularly interrupted by small forests, sheds, meadows and rivers, making the landscape fertile and rich in game.

About us

Limpopo & Diana Hunting Tours

Limpopo & Diana Hunting Tours Limpopo Travel and Diana Hunting Tours – which today are one and the same company - are built on more than four decades of experience in the hunting travel industry. Diana Hunting tours was founded in Svendborg back in 1974 by the internationally known figure in the hunting tour industry, Jan Krössteig, who today remains shareholder and chairman of the concern.

Over the years the company has grown into the world's largest hunting travel office, with hunting partners in more than 40 counties and customers from around the world. This has only been possible because of the strength of our customers faith in our company, our partners and the service we provide. We take great pride in the fact that a significant number of our customers are "regulars" you not only travel with us frequently, but also bring with then new customers into our business.

The hunting travel market has never been as chaotic as it is at present. There have always been a mass of smalland medium sized agencies trading on the market, but in recent years the rise of the internet has really opened up the market for direct booking and packages sold by "agents" of more or less transparent character and by agencies based abroad.

A large number of hunters have had their fingers burnt booking "cheap" packages, which rarely proceed as promised, Generally it is only when things go wrong that the unfortunate hunter who bought the tour first realises what the difference between a good Danish travel agency - with all the security that entails -and a questionable foreign seller, really is.

What we offer our customers is a rather unique level of security. Our experienced staff really know our destinations and can provide highly qualified advice tailored to the customer's individual requirements. If you book your hunting tour through us you also have a guarantee against the unlikely event of bankruptcy through the Danish Travel Guarantee Fund. Our long standing membership of the Danish Travel Agency Association is also a guarantee for professional service throughout all the proceedings that a hunting tour entails - also in the event of something not going quite as planned. As one of our customers you can expect around the clock support, via our emergency hotline, in the event of anything at all going wrong.
